

**DELTA ENVIRONMENTAL CENTRE MEDIA PRESS RELEASE**  
*Training Environmentalist of the Future*  
(15 June 2021)

Traditional values. Innovative ideas.

*"Making difference in our communities through Education and Awareness"*

**Delta Environmental Centre take this opportunity to:**

Congratulate **55 former 2018 Youth Environmental Service (YES)** Participants in completing the full National Diploma: Environmental Education, Training and Development Practices. The qualification is accredited by the Education, Training and Development Practices (ETDP) SETA.

In 2018 as **Youth Environmental Service (YES)** Participants the following modules were completed; Environmental risks and responses, taking action to address an environmental issue, environmental education as a community awareness tool, development of an original environmental learning programme and workplace evidence collection. Apart from the training, participants were involved in various community services, such as environmental surveys, sorting waste at the source, door to door educational campaigns, tree planting, school cleaning, environmental education in schools, painting community centres and helping to celebrate environmental days with host schools.

During their **Second year (2019)** funded by **RMB (Rand Merchant Bank)**, Participants completed the following modules;

- Facilitating Environmental Learning Programmes,
- Evaluating Learning Programmes,
- Designing and Developing Environmental Learning and Teaching Support Materials
- Conducting an Outcomes-based Assessment in an environmental context

Participants/Graduates are from the [Ekurhuleni Metropolitan Municipality](#), where they were hosted by schools in Daveyton, Wadeville, Slovo Park, Etwatwa, KwaThema and Tsakane.

The completion of the last year of the Diploma Modules were fully funded by **RMB (Rand Merchant Bank)**

*“Develop a passion for learning. If you do, you will never cease to grow.”*

Anthony J. D’Angelo

**FOR NEWS EDITORS:**

Delta Environmental Centre (DEC) is a private, independent non-profit company that aims to enable people to improve the quality of the environment by promoting the management and sustainable use of all resources in line with the South African Constitution through innovative environmental education and training programmes and consultation.
